

## Minutes of the meeting of the M.S.U Held in Marseille, France, on the 06<sup>th</sup> of July 2002

The venue was in the Town hall of Marseille. Welcome of Paul Henderson, ISAF President.

The ISAF and his President, are supporters of regional organisations, because our sport is very complex, from optimist to sailboard to America's Cup; these regional organisations have to work together, our sport being too complex to be centrally governed. The Mediterranean Sea is maybe the first sailing area in the world with big countries, as well as emerging nations to be assisted. The ISAF will help the MSU anyway it can.

Jean-Pierre Champion, FFVoile President, is happy to welcome this group created for promoting sailing development. Its aims are to highlight the common culture of sailing in the Mediterranean area and to form a group within the ISAF, as well as to define common aims.
